## Prayers for Brothers and Sisters

Our Senior Adult from the community, *Mildred Yoder*, as she lives through this season of isolation.

We grieve with our *brothers and sisters near and far who have experienced violence and injustice*, especially at the hand of police, and we boldly ask for God's empowerment for each one of us to be part of healing and justice. We denounce the sin of racism and deem it outside of God's kingdom and plan even as we actively work for equality and the honoring of every single human life.

*JD Smucker* as he transitions from Worship Coordinator to full-time painter for the summer.

For students at *Lezha Academic Center, Albania* facing the challenge of online classes without access to computers or internet; and for those students who are living with the added stress of having lost loved ones because of COVID-19.

*Thank you to Colin Berkey and Shawn Stutzman for the many hours of work they put into creating our online worship services and for gifting us with their skills and expertise.*
